# Summer Furniture

Unsurpassed Assortments of Designs For All Rooms, Porches and Lawns

Your home furnishing plans, be they great or small, can be carried out most advantageously here. In no other establishment will you see equally varied assortments of staple and novelty designs. Among the novelties shown this season the most interesting are the designs in Adirondack silver birch, made in a great North Woods factory, the entire output of which we control. This Furniture, with its natural silvery finish, ideally combines beauty and durability. The finish will withstand the weather in any climate.

To-day there is sale news of staple designs in oak and white enamel-furniture, brass and iron beds and bedding.
